I’M BURIED ALIVE

I open my eyes
And it's dark
My breath is gone
And i can't move.
I don't remeber
Who I am
And I don't feel
Anything.
I want to die
But i can't.
Like a sweet kiss
I look like.
Dear reaper
Dear reaper

Ritornello:
I'm buried alive
I'm buried alive
I'm buried alive
In my body

Everyone

Would want me dead
I'm only a weight.
This is
Not life
I want to see
The shine.
All around
Me is cold
And without life
I just feel the pain.
This
Is
the
only true hell.
Halfway
Between
Life and death..
I'm waiting for you
Dear reaper
Dear reaper!!!

Ritornello:

I'm buried alive

I'm buried alive
I'm buried alive
In my body
